disponibili per i consumi di cibo e bevande nei ristoranti e nei pub. Anche il turismo ha subito un forte impattone negativo, con una diminuzione delle presenze straniere del 60 per cento. E' stato quindi deciso di sospendere la scuola per tutto il mese di aprile. E' stata chiamata alla vita una nuova agenzia di governo, la "Agenzia per la difesa della salute pubblica", che ha dovuto fare fronte alle critiche di molti deputati democristiani, come il senatore Gianni De Michelis, che ha ribattezzato l'agenzia "Agenzia per la morte della salute pubblica".

mento e a sua capacidade de gerar resultados. O estudo de 2013 mostra que, apesar da queda no número de empresas, o setor permanece forte, com uma alta taxa de sobrevivência e uma evolução constante das estruturas organizacionais. As empresas que permanecem no setor têm uma estrutura organizacional mais complexa, com maior diversificação de atividades e maior nível de especialização. No entanto, é importante notar que o setor permanece desafulado, com uma alta taxa de insatisfação entre os trabalhadores e uma baixa taxa de satisfação entre os gestores.

- ebrei-XXV:

also used as drivers for innovation and as drivers for growth. The first two are very important, because it takes initiative, provides incentives and rewards, and changes or reinforces an established management system if there is a desire to change. The third is also important, because it makes a contribution to the market.

It is likely that our shareholders will be very pleased with the progress we have made in the last year. We are continuing to build on our strengths and to develop our opportunities. I hope you will join me in thanking our shareholders for their continued support.
